

SAMPLE PARAGRAPH (WORDY)

Rosewood Mall tucked behind a lush planting of regional foliage and forest is located only a precious few minutes from the airport or train station at 1873 Rosewood Blvd. It promises options for a luxurious and comfortable place to rest and relax in a well-appointed 150-room hotel along with a movie theatre containing three separate screening spaces showing the latest blockbuster films or, if preferred, live theatre featuring the latest hits from Broadway and London's West End capable of handling up to 500 theatre guests. Sustenance for the body is catered to through the rich variety of six superb gourmet restaurants and food stands that can in combination provide seats for 245 discerning diners scattered throughout the extremely well-managed and maintained avenue of edible delights that features exquisite regional specialties. Furthermore, facilities are available in a 2-story center to provide opportunities to attend to fitness and health needs. The mall provides discerning customers with a plethora of choices where they might browse and compare options for everyday needs or a special gift. With 720 places to shelter your car from the elements, guests can choose to arrive in the comfort of their own vehicles.

Rosewood Mall managements always puts efficiency, safety, environmentally-friendly practices and processes and ethical responsibility first by continually improving and updating the well-managed facilities anticipating before customers or vendors know themselves maintenance needs and opportunities for improving and bettering facilities. They respond within 48 hours to any maintenance or repair issue, of which there are only a minute number as the mall has passed two safety of its regularly scheduled safety inspections in the past five years with another one scheduled, exceeding provincial inspection requirements.
